Old Business -

- Chamber blender was a success. We all agreed to have it again next year but earlier in the year like in April. We will call in January to set it up with the chamber.
- Red Queen's Attic had their soft opening during the blender and it went great.
- The last summer concert is August 15 with the MOFO party band. So far it has been very good for downtown to have the concerts here.
- Car show bags will be stuffed Oct 9th. If you want to put stuff in bags bring 100 items to the DMOR meeting.

New Business -

- City council will have a workshop Sept 23 at city hall. The chamber will have a presentation on the beerfest they want to have in downtown. The more downtown merchants will support this venture the better chance we have of the city accepting it. Everyone try to attend this meeting.
- Glass show is this weekend. Linda R sent out flyers to the Fairgrounds to put on the tables.
- Rebecca with the city is going to apply for the Anice Reed grant from Texas Downtown Association. The city could get anywhere from \$1-\$2 thousand dollars.
- Red Queen's grand opening will be September 13th.

- Helen Moon with Southwest Financing was introduced and she joined the organization. Welcome to Helen.

Motion to adjourn the meeting was made by Linda R and second by Linda D. All accepted.
